INDEPENDENT AUDITORS' REPORT

Board of Directors
Joni and Friends
Agoura Hills, California

Opinion

We have audited the accompanying consolidated financial statements of Joni and Friends, which comprise the consolidated statements of financial position as of December 31, 2021 and 2020, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Joni and Friends as of December 31, 2021 and 2020, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Joni and Friends and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Joni and Friend's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Board of Directors
Joni and Friends
Agoura Hills, California

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Joni and Friend's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Joni and Friend's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Consolidated Financial Statements

December 31, 2021 and 2020

1. NATURE OF ORGANIZATION:

Joni and Friends (JAF or the Organization) was incorporated in 1979 in California as a not-for-profit corporation exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the Code) and comparable state laws. However, the Organization is subject to federal income tax on any unrelated business taxable income. In addition, the Organization is not classified as a private foundation within the meaning of Section 509(a) of the IRC.

JAF is a religious organization dedicated to accelerating Christian ministry in the disability community. Field and service programs promote a Biblical response toward disabilities, assisting individuals and Churches through evangelism, training, encouragement, and practical service.

In April 2007, the Joni and Friends International Disability Center was opened in Agoura Hills, California as the permanent headquarters. In the same year, the Christian Institute on Disability was established to aggressively promote a Christ-centered, Biblical approach that protects human dignity and the sanctity of all human life, no matter what the disabling condition.

JAF has several area ministry offices located in the United States of America. These offices are controlled by JAF, and consequently, the financial position and results of operations of all offices are included in JAF's consolidated financial statements.

In 2020, JAF launched Joni's House, a network of international disability centers in developing nations that provide ongoing rehabilitation and wraparound support services to special needs families. In cooperation with local church, community, and government partners, Joni's House facilities provide for the physical, economic, social, and spiritual needs of families impacted by disability.

On December 31, 2014, the Joni and Friends Foundation (JAFF or the Foundation), a 501 (c)(3) supporting organization, was created with the sole purpose of supporting Joni and Friends, the parent organization. Contributions to the Foundation are exempt from federal income taxes under Section 170 (c)(2) of the Internal Revenue Code. JAFF was created to receive, manage, and distribute complex assets, manage the Joni and Friends endowment fund, and assume other actions assisting the work of Joni and Friends as are consistent with Joni and Friends' purposes. Joni and Friends has an economic interest in the Foundation through endowment agreements created to ultimately benefit Joni and Friends. Joni and Friends also has a controlling interest in the Foundation as Joni and Friends controls the Foundation's board. As a result, the financial statements of the Foundation have been consolidated with those of Joni and Friends.

JAF's primary source of income consists of contributions and gifts-in-kind.

1. NATURE OF ORGANIZATION, continued:

PRINCIPLES OF CONSOLIDATION

The accompanying consolidated financial statements of Joni and Friends include the financial statements of Joni and Friends and the Joni and Friends Foundation. The consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. All material transactions and balances between JAF and JAFF have been eliminated in the consolidated financial statements. A summary of significant accounting policies the organization follows is included below to enhance the usefulness of the consolidated financial statements to the reader.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

CASH AND CASH EQUIVALENTS

For the consolidated statements of financial position and consolidated cash flow purposes, cash and cash equivalents include cash on hand, cash on deposit, and money market accounts. Cash on deposit may, at times, exceed federally insured limits. At December 31, 2021 and 2020, JAF's cash balances exceeded federally insured limits by approximately \$15,971,000 and \$11,310,000, respectively.

INVENTORY

Inventory consists of two components: 1) Wheelchairs stated at estimated fair value on the date of the gift. Donated parts are valued at fair value. Donated labor used in refurbishment is expensed at estimated fair value of the donated labor. 2) Joni and Friends merchandise and books for sale are stated at the lower of cost or net realizable value, using the weighted average method.

INVESTMENTS

Investments in equity securities with readily determinable fair values are recorded at fair value with gains and losses reported in the consolidated statements of activities. Donated investments are recorded at fair value at the date of donation and are thereafter carried at fair value.

The Foundation's alternative investments include a 33% interest in real property (including mineral rights), 28.125% interest in a royalty stream and a limited partnership interest in three rental properties donated to the Foundation in 2021. These investments are reported at estimated fair value. JAFF received independent valuations of the real property and royalty stream investments by a qualified appraiser at December 31, 2021 and 2020, utilizing the current income method and a capitalization rate of 22% and 20% (see Note 5). JAFF received independent valuations of the partnership properties at December 31, 2021 and utilized the net asset approach to determine valuation.

Investments in general are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risks associated with certain investments, it is reasonably possible that changes in the value of those investments will occur in the near term and such changes could materially affect the amounts reported in the consolidated financial statements.

Notes to Consolidated Financial Statements

December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

LAND, BUILDING, AND EQUIPMENT

Expenditures for land, building, and equipment greater than \$1,000 are capitalized at cost. Donated items are recorded at the fair value on the date of the gift. Depreciation is computed on the straight line method over the estimated useful lives of the assets.

Estimated useful lives are:

Buildings and improvements	40 years
Furniture and equipment	3-7 years
Automobiles	5 years

NET ASSETS

The consolidated financial statements report amounts by class of net assets:

Net assets without donor restrictions are currently available at the discretion of the board for use in JAF's operations, for the board designated endowment fund, or for investment in land, buildings and equipment.

Net assets with donor restrictions are stipulated by donors for specific operating purposes or for long-term projects. As of December 31, 2021 and 2020, the net assets with donor restrictions consist primarily of the wheelchair ministry projects, area ministries, endowments where it is stipulated by donors that the principal remain in perpetuity and only the income is available for net assets without donor restriction when appropriated for expenditure, or unappropriated endowment income.

REVENUE RECOGNITION

Contributions

Contributions are recorded when cash or unconditional promises-to-give have been received or ownership of donated assets is transferred to the ministry. JAF records contributions as being with donor restrictions if they are received with donor stipulations that limit their use through purpose and/or time restrictions. When donor restrictions expire, that is when the purpose restriction is fulfilled or the time restriction expires, the net assets are reclassified from net assets with donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions. JAF receives non-cash gifts which are recorded as support at the estimated fair value on the date of the gift.

Program revenue

Program revenue is recorded when earned. Expenses are recorded when incurred in accordance with the accrual basis of accounting.

Notes to Consolidated Financial Statements

December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various program services and supporting activities have been summarized on a functional basis. Accordingly, certain costs, such as depreciation and payroll, have been allocated among the program and supporting activities (Note 11).

ALLOCATION OF JOINT COSTS

All costs that contain any fundraising appeal are required to be allocated to fundraising unless all of the following three tests are met: purpose, audience, and content. Since all three tests were not met, all costs that contain a fundraising appeal have been allocated to fundraising for the years ended December 31, 2021 and 2020.

USE OF ESTIMATES

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

JAF has certain donor-restricted net assets that are available for general expenditures within one year of December 31, 2021 and 2020, because the restrictions are expected to be met by conducting the normal activities of JAF in the coming year. Based on independent appraisals the partnership interests were initially valued at \$10,709,000. During the year ended December 31, 2021, the partnerships distributed a total of approximately \$3,264,000 to JAFF as a return of capital. This return of capital was recorded as a reduction in the carrying amount of the investments. Additionally, based on independent appraisals as of December 31, 2021, JAFF recorded a write-down of the investments of \$265,979.

Notes to Consolidated Financial Statements

December 31, 2021 and 2020

5. FAIR VALUE MEASUREMENTS:

JAF uses appropriate valuation techniques to determine fair value based on inputs available. Level 1 investments are determined by observable inputs that reflect quoted market prices in active markets. Level 2 inputs are based on (i) quoted prices for similar assets or liabilities in active markets, (ii) quoted prices for identical or similar assets or liabilities in markets that are not active, or (iii) pricing inputs other than quoted prices that are directly or indirectly observable at the reporting date. Level 3 investments are based on unobservable inputs and are only used when Level 1 or Level 2 inputs are not available.

Fair values of assets measured on a recurring basis on December 31, 2021 are as follows:

The fair value for mutual funds and exchange traded funds is determined by reference to quoted prices for investments in public equity markets in the United States.

The fair value of annuities is determined by an index crediting strategy that credits interest annually based on the percentage change of the S&P 500. The index credit percentage is guaranteed to never exceed an annual cap declared annually and will never be less than zero. The minimum guaranteed rate is 1% and the maximum rate is 3.4%.

9. ENDOWMENTS:

In August 2008, the Financial Accounting Standards Board (FASB) issued a FASB Staff Position (now included in the FASB Accounting Standards Codification in sub-topic 958-205), *Endowments of Not-for-Profit Organizations: Net Asset Classification of Funds Subject to an Enacted Version of the Uniform Prudent Management of Institutional Funds Act, and Enhanced Disclosures for All Endowment Funds*. In the Staff Position, FASB provides guidance on the net asset classification of donor-restricted endowment funds for a nonprofit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA). Also required are additional disclosures about an organization's endowment funds (both donor-restricted endowment funds and board-designated endowment funds) whether or not the organization is subject to UPMIFA. The State of California enacted UPMIFA effective January 1, 2009, the provisions of which apply to endowment funds existing on or established after that date.

JAF has adopted the net asset classification provisions for the years ending December 31, 2021 and 2020. The board has determined that certain of JAF's net assets with donor restrictions meet the definition of endowment funds under UPMIFA.

JAF's endowment includes both donor-restricted endowment funds established to fund ministry operations and funds designated by the board to function as endowments. As required by accounting principles generally accepted in the United States of America (GAAP), net assets associated with endowment funds, including funds designated by the board of directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The board of JAF has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, JAF classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the organization in a manner consistent with the standard of prudence prescribed by SPMIFA.

JONI AND FRIENDS

Notes to Consolidated Financial Statements

December 31, 2021 and 2020

9. ENDOWMENTS, continued:

In accordance with SPMIFA, JAF considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of JAF and the specific donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of JAF
- The investment policies of JAF

The following table presents the endowment composition and net asset classifications as of December 31, 2021.

RETURN OBJECTIVES AND RISK PARAMETERS

The Foundation Investment Policy Statement provides that no spending apart from donor requirements will occur until the total value of the endowment reaches \$10,000,000 and that the spending rate will be no more than 3% of the investments' three-year weighted average of income plus appreciation. Expending any portion of the "initial contribution" to the Endowment will require a Board of Directors recommendation and a majority vote by the Foundation Board of Directors. The Foundation's investment policies for donor-restricted endowment assets attempt to provide funding for long-term needs. Under these policies, the endowment assets are invested in a manner consistent with Christian principles and values, and consistent with the convictions of JAF. The primary goal is cash preservation, and the secondary goal is to achieve intermediate and long-term investment goals. The board's strategy is to minimize risk in the financial performance of the endowment fund.

FUNDS WITH DEFICIENCIES

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or SPMIFA requires JAF to retain as a fund of perpetual duration. There were no such deficiencies as of December 31, 2021 and 2020.

STRATEGIES EMPLOYED FOR ACHIEVING OBJECTIVES

To satisfy its long-term rate-of-return objectives, JAF relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). JAF targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

10. CONTRIBUTED AIRTIME, WHEELCHAIRS, SERVICES, AND MATERIALS:

The consolidated financial statements give monetary recognition to contributions of radio time received from various radio stations across the country. As of December 31, 2021 and 2020, contributed airtime is valued at \$15 for each one-minute program, \$35 for each four-minute program, and \$5 for each Spanish program based on the monthly release counts using an average of twenty-two days per month.

The consolidated financial statements also include the value of used wheelchairs donated to JAF to be restored and provided as needed to people and organizations in other countries. During the years ended December 31, 2021 and 2020, wheelchair values were assigned based on the type and condition of each wheelchair.

Contributed services consist of the value of the labor involved in refurbishing the wheelchairs. The contributed materials included in the consolidated financial statements consist of equipment and supplies donated to JAF.

METHODS USED FOR ALLOCATION OF EXPENSE:

The financial statements report certain categories of expenses that are attributable to more than one program or one supporting function, therefore these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include depreciation, rent, and office and insurance, which are allocated on a square footage basis, as well as personnel costs, travel, events and conferences, and postage and printing, which are allocated on the basis of estimates of time and department. There are no joint costs that have been allocated among program, general and administrative, and fundraising.

12. RETIREMENT PLAN:

JAF has a 403(b) Employee Savings Plan, covering substantially all employees over 18 years of age effective upon employment. After three years of employment, employees receive up to a maximum 5% salary increase, which can be used as additional compensation or as a contribution to their 403(b) Employee Savings Plan account. Employees were able to make a maximum tax-deferred contribution of \$19,500 (or \$26,000 if age 50 or over) for the year ended December 31, 2021. For the years ended December 31, 2021 and 2020, JAF made contributions in the amount of approximately \$296,000 and \$273,000, respectively. The 403(b) Employee Savings Plan was terminated on December 31, 2021 and was replaced with a 401(k) retirement plan starting on January 1, 2022.

13. LEASES:

JAF has entered into various noncancelable operating lease agreements for office space, storage, and equipment use. The office space leases have cumulative monthly payments of approximately \$36,000 and the storage and equipment leases have cumulative monthly payments of approximately \$8,000. The leases expire at various times through January 2027. The future minimum payments are:

<u>Year Ending December 31,</u>

	<u>\$ 1,056,037</u>

Lease expense under cancelable and noncancelable lease agreements for the years ended December 31, 2021 and 2020, was approximately \$601,000 and \$595,000, respectively.

14. RELATED PARTY TRANSACTIONS:

The Foundation has an investment account with a brokerage firm whose President and Chief Compliance Officer is a board member of JAF. For the years ended December 31, 2021 and 2020, commissions paid to the brokerage firm were \$6,177 and \$5,511, respectively.

During the year ended December 31, 2019, JAF acquired certain intellectual property, including literary works, art works, and other intellectual property, from the Organization's founder. JAF paid \$200,000 and \$100,000 during the years ended December 31, 2021 and 2020, respectively to pay off the commitment.

During the years ended December 31, 2021 and 2020, the board of directors, as a group, contributed approximately \$1,425,000 and \$781,000 to JAF, respectively.

JAFF holds an unsecured note payable to a trust, one trustee of which is a director of JAF, bearing interest at a rate of 3% annually. See Note 7.

15. RISKS AND UNCERTAINTIES:

JAF's operations may be affected by the recent and ongoing outbreak of the coronavirus disease 2019 (COVID-19) which was declared a pandemic by the World Health Organization in March 2020. The ultimate disruption which may be caused by the outbreak is uncertain; however, it may result in a material adverse impact on JAF's financial position, operations and cash flows. Possible effects may include, but are not limited to, disruption to JAF's donor population and contribution revenue, absenteeism in JAF's workforce, and a decline in value of assets held by JAF including receivables, property and equipment, and marketable securities. The financial impact cannot be estimated at this time because the duration of the pandemic cannot be estimated.

16. SUBSEQUENT EVENTS:

Subsequent events were evaluated through April 25, 2022, which is the date the consolidated financial statements were available to be issued.
