

Prayer Requests September 17 – September 23

Sunday 17 – Pray for Joni as she continues to recover from pneumonia.

Monday 18 – This week our teams and partners are coordinating [International Family Retreats](#) in Ghana, [Uruguay](#), and Argentina. Pray for each event to run smoothly and for attendees to have ears to hear the gospel presentation.

Tuesday 19 – Praise God for the opportunities we have this week to provide mobility equipment and the gospel message in two sensitive countries. Ask God to open doors through the provision of wheelchairs so that the light of the gospel would illuminate hearts and minds.

Wednesday 20 – Praise God with us for the 119 families served at four [Family Retreats](#) through [Joni and Friends Northwest](#). Pray for continued connections with churches so new believers will receive ongoing discipleship and families will feel welcomed and wanted in a local church body.

Thursday 21 – Praise God for the successful launch of the Ukrainian language [Beyond Suffering](#) course held last week after a two-year translation process. Ask God to similarly bless the training held in Bulgaria this week. Pray the [Beyond Suffering](#) coursework will equip church and ministry leaders to serve those with disabilities and their families throughout Eastern Europe.

Friday 22 – This weekend special needs moms and women caregivers have the opportunity to prioritize rest, spiritual renewal, and fellowship at a special [Ladies Getaway](#) in Ohio. Pray this time with other women who understand the challenges of life with disability will equip each attendee to direct their eyes to Jesus during their daily routines and stresses.

Saturday 23 – Today our offices in [Fresno](#) and [Chicago](#) are both hosting Walk 'n' Roll events. Ask God to allow good weather and fun for each participant as they raise awareness and funds to support ministry in their local communities. Pray for increased opportunities to make a difference in their neighborhoods and regions.
