

Prayer Requests September 24 – September 30

Sunday 24 – Praise God for the opportunity we have this year at the Texas State Fair. Our team in [Texas](#) has been invited to partner with the [State Fair of Texas](#) during the disability-friendly day on October 4. We will be coordinating volunteer buddies to accompany registered families to experience the fair. Pray for additional volunteers so that each family can have one or two helpers.

Monday 25 – Our first [Warrior Getaway](#) in [Missouri](#) is a little more than a month away. We still have room for a few more families. Ask God to connect veteran and active military families living with disabilities to our team in Missouri. Pray this will be a step towards increased spiritual, emotional, and relational health for each family who attends.

Tuesday 26 – Ask God to continue to bring qualified individuals who love him to fill our [open positions](#). Because of the growth we are experiencing, we are looking for several additional leaders in our [local offices](#) across the United States. Pray each local office will be fully staffed soon.

Wednesday 27 – We are in the midst of finalizing 2024 ministry and event plans and budgets. Pray for God's direction at each level of decision making and in each area of ministry. Pray that in 2024 we would see more of God's Kingdom come and his will be done on earth as it is in heaven.

Thursday 28 – Praise God for the way he is opening doors for [church training](#) through denominational leaders. Ask God to call leaders who will champion and facilitate ministry that includes people living with disability through Christ-center denominations in the United States.

Friday 29 – Pray for growing relationships with Christian universities that are planning to include [internships](#) in disability ministry as a part of their health services curriculum.

Saturday 30 – Today parents and caregivers in [Florida](#) will have the opportunity to receive respite through our [Halftime Respite](#) partnership with local churches. Pray for kids with disabilities and their siblings to have lots of fun while the adults get the break they need.
