Pray that the wheelchairs and other supplies that have been sent will be just right for this outreach. Pray that every need will be met, and all will see God’s hand through the items provided. Pray also for safety for the team as they will be working with many different tools throughout the week.</p>	<p>8</p> <p>Pray for team leaders as they will be making last-minute adjustments and preparations for the outreach. Please pray for team unity as the team members spend their first full day together. Pray also for the churches around the world as Christ-followers praise and worship our Lord and Savior. Pray that the team adapts to the hot weather and is well-rested for tomorrow's exciting day.	Pray as training continues in preparation for the wheelchair distribution tomorrow. Praise the Lord for the local church serving in this outreach: Edificio Gamaliel Tabernáculo Bíblico Bautista	Today is the first day of distribution on the outreach. This is always a big day with a lot of work to do. Pray for the families who are anticipating receiving a life-changing mobility device; some will be traveling many miles and hours to get to the site.	In El Salvador, we partner with local therapists and mechanics. Pray for the Salvadoran therapists' and mechanics' training in proper wheelchair seating and fitting.	Thank the Lord for the many prisoners around the United States who restore the chairs prior to the outreach. Pray for God's continued work in their lives. Pray also for the chair corps volunteers who collect wheelchairs throughout the year.	This is our last day fitting wheelchairs. Pray that everyone has been wonderfully served, that they know they are made in God's image, and that it is His desire to show them His love and compassion.	Today the team will fly home. Pray for safe travel and a smooth time through customs. Continue to pray for good health. Pray for Claudia, our in-country coordinator, as she continues the work of Joni and Friends in El Salvador through Joni's House and other ministry outreaches.
