

## Prayer Requests May 12 – May 18

**Sunday 12** – Praise God for the success and blessing experienced at our International Summit and our Area Team Conference. Thank God for allowing uneventful travel and excellent times of collaboration, training, and fellowship.

**Monday 13** – This week we are excited to have new Joni and Friends staff members participate in a [Lead Like Jesus](#) encounter, a core part of our workplace culture. Pray for this time to build connection and a sense of belonging for new hires.

**Tuesday 14** – Today we are hosting a [Halftime Respite in Washington](#) and a [Caregiver Support Group in New England](#). Ask God to use both of these events to restore caregivers and build up their community of support.

**Wednesday 15** – A number of our interns and intern faculty will serve at [Family Retreat](#) in the months ahead. Pray for their ongoing fundraising process, that they will have the necessary funds long before their volunteer service begins.

**Thursday 16** – We're in a season of high-volume orders! Ask God to give strength and stamina to our team in order fulfillment. Pray that each order arrives at its destination on time and in good condition, providing hope and encouragement to the recipient.

**Friday 17** – This weekend couples affected by the disability of a spouse or child will take time to step away from their usual responsibilities to celebrate and focus on their marriages at our [Ohio Marriage Getaway](#). Ask God to meet each person with evidence of his love and care for them.

**Saturday 18** – Praise God for the wheelchairs that have been donated recently in Florida. Today volunteers will [load over 200 wheelchairs](#) into a semitruck to begin the journey to one of our wheelchair restoration shops. Pray that the loading goes smoothly and that all pieces that belong to a specific chair stay together.
