

Prayer Requests April 12 – April 18

Sunday 12 – Join us in prayer for our Joni and Friends leadership team. May God give wisdom and discernment as they make ministry decisions and represent Jesus to our staff, donors, and the families we serve.

Monday 13 – Our partners in developing countries regularly encounter difficult and heartbreaking circumstances of people living with disability. Ask God to refresh their hearts, giving His comfort and wisdom as they seek to serve those with dire needs.

Tuesday 14 – In North Carolina, Joni and Friends is hosting a [Church Training Pathway event](#). Pray that this gathering of local church leaders reflects God's heart for people living with disability and encourages attendees to minister and better serve their community.

Wednesday 15 – This weekend, our Joni and Friends Northwest team invites married couples living with disability to a [one-day respite event](#) in Idaho. Ask God to be at work in each couple's marriage. May spouses connect deeply with each other and with Jesus through teachings, guided activities, and a time to relax.

Thursday 16 – Parents, guardians, and caregivers gather today in Kansas for a [Disability Resource Seminar](#). May this event bring hope and clarity to families as they learn about special needs trusts, government benefits, and wise financial planning for their child's lifelong care. Pray for families to know God's presence in this often overwhelming need.

Friday 17 – In Kansas, Joni and Friends is hosting a [Pastoral Leadership Seminar](#). Ask God to compel pastoral leaders to faith and action as they engage with the biblical theology of disability and its implications for their church culture, belonging, and discipleship.

Saturday 18 – Today, Joni and Friends Southern California hosts our first-ever [Southern California Walk 'N' Roll!](#) May this event bring fun and joy as participants raise funds to send families to the Joni and Friends Southern California Family Retreat.
