

Prayer Requests May 3 – May 9

Sunday 3 – This week we're hosting disability network meetings in [Louisiana](#) and [Florida](#)! As leaders come together to encourage each other in how to more effectively serve families with disabilities, pray they will gain a deep understanding of how God can grow and develop their churches through disability ministry.

Monday 4 – Mothers who have children living with a disability gather this Saturday for a [Mom's Care Group](#) in Washington. Pray these women would be strengthened through the care and friendship of other moms as they dig into the book *Parenting and Disabilities: Abiding in God's Presence* by [Stephanie Hubach](#).

Tuesday 5 – Join us in praising God for the thousands of volunteers who serve alongside Joni and Friends all across the globe to bring hands-on help and Gospel hope to people with disabilities.

Wednesday 6 – Our [Wheels for the World](#) teams are serving in [Madagascar](#) and [Argentina](#)! As they provide mobility equipment, share the Gospel, and equip churches in disability ministry, pray that each wheelchair recipient recognizes God's love and care.

Thursday 7 – Today is National Day of Prayer. Join us in praying that God would move through our nation to turn hearts toward Him. Pray that we will see an increase in love and humility in our nation and beyond.

Friday 8 – This evening our [New England office](#) hosts [Night to Ignite](#), an event that celebrates God's work and the opportunities to serve families living with disability in New England. Pray that God will ignite a passion for each attendee to share the hope of Jesus through hardship.

Saturday 9 – Parents, guardians, and caregivers gather today in Missouri for a [Disability Resource Seminar](#). May this event equip families to approach financial and legal planning with wisdom and hope. Pray that this time prepares each person to care well for their loved ones today and in the years ahead.
