

Prayer Requests May 31 – June 6

Sunday 31 – This week, participants at Joni’s House® in East St. Louis visit their [local children’s museum](#) to enjoy an interactive, hands-on educational opportunity and learn about the world God has made. Ask God to bless these families with beautiful memories as they see exhibits and enjoy creative play centered around science, technology, art, and culture.

Monday 1 – [Family Retreats](#) kick off today in [Georgia](#), [Florida](#), and [Louisiana](#). Pray families will be strengthened, encouraged, and supported. Also, pray for staff and volunteers to feel energized and empowered as they build relationships and balance the needs of ministry with their own families and communities.

Tuesday 2 – Many families impacted by disability carry silent struggles. Pray for emotional and mental healing from trauma, burnout, guilt, or discouragement. Ask God to bring deep healing and hope.

Wednesday 3 – Tomorrow is [Visitor Day at our Florida Family Retreat](#). As visiting ministry leaders get a firsthand look at our ministry in action, pray that they will be inspired to host respite and inclusive events at their own home churches.

Thursday 4 – In Knoxville, Tennessee, Joni and Friends hosts an inclusive [Playday in the Park](#) today. Ask God to build friendships and spread His joy as families connect with each other at the park.

Friday 5 – Many Joni and Friends staff members travel to volunteer at our Family Retreats and other outreaches over the spring and summer months. Pray that God would give them good health and safe travels as they step away from their daily workload to serve hands-on with Joni and Friends.

Saturday 6 – Our [Wheels for the World](#) team serves in [Brazil](#) this week. Pray each person living with a disability and their family members will come to know more of God’s love through the gift of mobility equipment. Pray for strong connections with local pastors and churches and for hope to permeate each family represented at the outreach.
