## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Joni and Friends Foundation  
Agoura Hills, California

### ***Opinion***

We have audited the accompanying financial statements of Joni and Friends Foundation, which comprise the statements of financial position as of December 31, 2025 and 2024, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Joni and Friends Foundation as of December 31, 2025 and 2024, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Joni and Friends Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Joni and Friends Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Board of Directors  
Joni and Friends Foundation  
Agoura Hills, California

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Joni and Friends Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Joni and Friends Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## Notes to Financial Statements

December 31, 2025 and 2024

1. NATURE OF ORGANIZATION:

Joni and Friends Foundation (JAFF or the Foundation), a nonprofit foundation incorporated in the State of California as of December 31, 2014, is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the Code) and comparable state laws. However, the Foundation is subject to federal income tax on any unrelated business taxable income. In addition, the Foundation is not classified as a private foundation within the meaning of Section 509(a) of the Code. The Foundation is a supporting organization, created with the sole purpose of supporting Joni and Friends (JAF), the parent organization. Contributions to the Foundation are exempt from income taxes under Section 170(c)2 of the Code.

JAFF was created to receive, manage, and distribute complex assets, manage the Joni and Friends endowment fund, and assume other actions assisting the work of Joni and Friends (JAF) as are consistent with JAF's purposes. JAF has an economic interest in the Foundation through endowment agreements created to ultimately benefit JAF. JAF also has a controlling interest in the Foundation as JAF controls the Foundation's board. Therefore, JAFF's financial statements are consolidated with JAF, which is the primary reporting entity.

JAF (the parent) was incorporated in 1979 in California as a not-for-profit corporation exempt from federal income taxes under Section 501(c)(3) of the Code and comparable state laws. It is also exempt from California state income taxes under Section 23701d of the California Revenue and Taxation Code. JAF has been classified as a publicly supported organization, which is not a private foundation, under Section 509(a) of the Code. Contributions by the public are deductible for income tax purposes.

JAF is a religious organization dedicated to accelerating Christian ministry in the disability community. Field and service programs promote a Biblical response toward disabilities, assisting individuals and churches through evangelism, training, encouragement, and practical service. JAF is built on Biblical truth and the foundation of Jesus Christ. The Foundation exists to advance the disability ministry and to change the church and communities around the world by providing financial sustainability and support for the work of JAF.

The Foundation's primary sources of income consist of royalty partnership income (oil and gas), limited partnership income, and investment income.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The Foundation maintains its accounts and prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of any contingent assets and liabilities at the date of the financial statements, and reported revenues and expenses during the reporting period. Actual results could differ from the estimates. Estimates that are particularly susceptible to significant change in the near term are related to actuarial present value calculations for annuities and trusts, valuation of investments held at fair value, valuation of interest in real property and interest in an oil and gas royalty stream, and allocation of functional expenses.

## Notes to Financial Statements

December 31, 2025 and 2024

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

#### CASH AND CASH EQUIVALENTS

For the statements of financial position and cash flow purposes, cash and cash equivalents is comprised of cash on deposit. Cash on deposit may, at times, exceed federally insured limits. In addition, the Foundation maintains its cash in bank deposit accounts that are insured by the Federal Deposit Insurance Corporation (FDIC) which insures up to \$250,000 of deposits. At December 31, 2025 and 2024, the Foundation's cash balances exceeded federally insured limits by approximately \$682,000 and \$749,000, respectively.

#### INVESTMENTS AND ENDOWMENT INVESTMENTS

Investments in equity securities with readily determinable fair values are recorded at fair value with gains and losses reported in the statements of activities. Donated investments are recorded at fair value at the date of donation and are thereafter carried at fair value. The fair value of annuities is determined by an index crediting strategy that credits interest annually based on the percentage change of the S&P 500. The index credit percentage is guaranteed to never exceed an annual cap declared annually and will never be less than zero. The minimum guaranteed rate is 1% and the maximum rate is 3.4%.

The Foundation's alternative investments include a 33% interest in real property (including mineral rights), 28.125% interest in a royalty stream, and a limited partnership interest in three rental properties donated to the Foundation in 2021. These investments are reported at estimated fair value. JAFF received independent valuations of the real property and royalty stream investments by a qualified appraiser at December 31, 2025 and 2024, utilizing the current income method and a capitalization rate of 24% for both years (see Note 5). JAFF received independent valuations of the partnership properties at December 31, 2025 and 2024, and utilized the net asset approach to determine valuation.

Investments in general are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risks associated with certain investments, it is reasonably possible that changes in the value of those investments will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

#### LAND

Expenditures for land greater than \$5,000 are capitalized at cost. Donated land is recorded at the fair value on the date of the gift. For the Mississippi property, the intent was to build and operate a Joni's House, however the property was sold in January 2025 and was shown as land held for sale as of December 31, 2024 on the statements of financial position.

#### NET ASSETS

The financial statements report amounts by class of net assets:

*Net assets without donor restrictions* are currently available at the discretion of the board for use in the Foundation's operations and those resources invested in a board designated endowment fund.

# JONI AND FRIENDS FOUNDATION

## Notes to Financial Statements

December 31, 2025 and 2024

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

#### NET ASSETS, continued

*Net assets with donor restrictions* represent endowments where it is stipulated by donors that the principal remain in perpetuity and only the income is available for use without restriction when appropriated for expenditure. Net assets with donor restrictions also consist of unappropriated endowment income for which the donor specified the income be used for Joni and Friends Family Retreats.

#### REVENUE RECOGNITION

Contributions are recorded when cash or unconditional promises-to-give have been received or ownership of donated assets is transferred to the Foundation. The Foundation records contributions as contributions with donor restrictions if they are received with donor stipulations that limit their use through purpose and/or time restrictions. When donor restrictions expire, that is when the purpose restriction is fulfilled or the time restriction expires, the net assets are reclassified from net assets with donor restriction to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. The Foundation receives non-cash gifts which are recorded as support at the estimated fair value on the date of the gift.

Royalty partnership income (oil and gas), limited partnership, investment, and other income are recorded when earned. Expenses are recorded when incurred in accordance with the accrual basis of accounting.

#### FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the various program services and supporting activities have been summarized on a functional basis.

Financial assets available to meet cash needs for general expenditures within one year	\$ 18,425,465	\$ 15,427,501

The Foundation is substantially supported by investment income and contributions. As part of the Foundation's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. For the years ended December 31, 2025 and 2024, the Foundation had \$3,577,830 and \$3,418,033, designated by the board for endowments, respectively. The board has the flexibility to use these funds for operations as deemed necessary.

## Notes to Financial Statements

December 31, 2025 and 2024

4. INVESTMENTS AND ENDOWMENT INVESTMENTS AND LIMITED PARTNERSHIP INTERESTS:

Investments and endowment investments and limited partnership interests consist of:

	December 31,	
	2025	2024
Limited partnership interests	\$ 13,918,000	\$ 12,928,000
Fixed income exchange traded funds	11,855,141	10,574,119

	<u>\$ 36,139,089</u>	<u>\$ 32,025,678</u>

5. FAIR VALUE MEASUREMENTS:

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

**Level 1:** Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

**Level 2:** Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive
- Inputs, other than quoted prices, that are:
  - observable; or
  - can be corroborated by observable market data.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

5. FAIR VALUE MEASUREMENTS, continued:

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

*Fixed income exchange traded funds:* Valued at quoted market prices on the principal exchange on which the funds are traded. When quoted prices are not available or are not considered representative of fair value, observable market inputs such as pricing for similar instruments and market-corroborated data may be used.

*Investment in royalty streams, real property, and limited partnership interests:* Value based on appraisals.

*Annuities:* Valued using an index crediting strategy that credits interest annually based on the percentage change of the S&P 500. The index credit percentage is guaranteed to never exceed an annual cap declared annually and will never be less than zero. The minimum guaranteed rate is 1% and the maximum rate is 3.4%.

Fair values of assets measured on a recurring basis on December 31, 2025, are as follows:

	Total	Fair Value Measurements Using:		
		Level 1	Level 2	Level 3
Fixed income exchange traded funds	\$ 11,855,141	\$ 11,855,141	\$ -	\$ -

### 8. ENDOWMENTS:

In August 2008, the Financial Accounting Standards Board (FASB) issued a FASB Staff Position (now included in the FASB Accounting Standards Codification in sub-topic 958-205), Endowments of Not-for-Profit Organizations: Net Asset Classification of Funds Subject to an Enacted Version of the Uniform Prudent Management of Institutional Funds Act, and Enhanced Disclosures for All Endowment Funds. In the Staff Position, FASB provides guidance on the net asset classification of donor-restricted endowment funds for a nonprofit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 (UPMIFA). Also required are additional disclosures about an organization's endowment funds (both donor-restricted endowment funds and board-designated endowment funds) whether or not the organization is subject to UPMIFA. The State of California enacted UPMIFA effective January 1, 2009, the provisions of which apply to endowment funds existing on or established after that date.

JAFF has adopted the net asset classification provisions for the years ending December 31, 2025 and 2024. The Board has determined that JAFF's net assets with donor restrictions meet the definition of endowment funds under UPMIFA.

JAFF's endowment includes both donor-restricted endowment funds established to fund ministry operations and funds designated by the board to function as endowments. As required by accounting principles generally accepted in the United States of America (GAAP), net assets associated with endowment funds, including funds designated by the board of directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

The board of the Foundation has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that does not meet the description above is classified in net assets with donor restrictions or board designated net assets until those amounts are appropriated for expenditure by the organization in a manner consistent with the standard of prudence prescribed by SPMIFA.

8. ENDOWMENTS, continued:

In accordance with SPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the Foundation and the specific donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Foundation
- The investment policies of the Foundation

### RETURN OBJECTIVES AND RISK PARAMETERS

The Foundation Investment Policy Statement provides that no spending apart from donor requirements will occur until the total value of the endowment reaches \$10,000,000 and that the spending rate will be no more than 3% of the investments' three-year weighted average of income plus appreciation. Expending any portion of the "initial contribution" to the Endowment will require a Board of Directors recommendation and a majority vote by the Foundation Board of Directors. The Foundation's investment policies for donor-restricted endowment assets attempt to provide funding for long-term needs. Under these policies, the endowment assets are invested in a manner consistent with Christian principles and values, and consistent with the convictions of JAF. The primary goal is cash preservation, and the secondary goal is to achieve intermediate and long-term investment goals. The board's strategy is to minimize risk in the financial performance of the endowment fund.

The following table presents the endowment composition and net asset classifications as of December 31, 2025:

	<u>Without Donor Restrictions</u>	<u>With Donor Restrictions</u>	<u>Total</u>
Donor restricted endowment	\$ -	\$ 1,264,907	\$ 1,264,907

### FUNDS WITH DEFICIENCIES

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or SPMIFA requires JAFF to retain as a fund of perpetual duration. There were no such deficiencies as of December 31, 2025 and 2024.

### STRATEGIES EMPLOYED FOR ACHIEVING OBJECTIVES

To satisfy its long-term rate-of-return objectives, JAFF relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). JAFF targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

**METHODS USED FOR ALLOCATION OF EXPENSE:**

The financial statements report certain categories of expenses that are attributable to more than one program or one supporting function, therefore these expenses require allocation on a reasonable basis that is consistently applied. Grants are primarily allocated to program functions as they are made to advance the ministry of Joni and Friends. The remaining expenses are allocated based on direct benefit or conduct of program or supporting function. There are no joint costs that have been allocated among program, general and administrative, and fundraising.
