

Prayer Requests June 7 – June 13

Sunday 7 – Today is National Cancer Survivor’s Day. Join us as we thank the Lord for carrying cancer survivors through seasons of fear, pain, and uncertainty with His strength and grace. May He bring renewed hope to every survivor and encouragement to those still fighting.

Monday 8 – Family Retreat season is in full swing! Today marks the beginning of four Family Retreats around the country in [New England](#), [Louisiana](#), [Michigan](#), and [Southern California](#). Ask God to use Joni and Friends staff and volunteers to show His love and care for families living with disability.

Tuesday 9 – We pray that [Joni’s new devotional, Keeping Faith When Life Hurts](#), reminds readers of God’s steady presence. Pray the Lord uses these words to bring comfort, endurance, and the assurance that He is near us in our pain.

Wednesday 10 – Today is Family Retreat Visitor’s Day in Southern California and New England. Pray that visiting church leaders capture a vision to bring the inclusive experience back to their home churches as they [develop special needs ministries](#).

Thursday 11 – In East St. Louis, Joni’s House is hosting an [Inclusive Field Day](#)! Pray with us that this special event creates joyful memories, encourages families living with disability, and prepares hearts to act on the Gospel message.

Friday 12 – This week in [New England](#), Joni and Friends hosts Family Retreat for families that include adults with disabilities. Pray this week allows friendships to blossom, builds meaningful memories, and fosters fellowship as parents and their adult children spend intentional time being rejuvenated and encouraged in Christ.

Saturday 13 – Many families who join us for our [Retreats and Getaways](#) live on “high-alert” as disabilities often require attentive care. Pray that families experience tangible respite as they attend our events. May they relax and rest, enjoying fellowship and fun.
