

Prayer Requests August 2 – August 8, 2026

Sunday 2 – Praise God for the [volunteers](#) and donors who partner with Joni and Friends to make a year-round impact for families living with disability!

Monday 3 – Families impacted by disability gather for [Family Retreats](#) in Arizona, North Carolina, Idaho, Pennsylvania, Ohio, Missouri, and California this week! Ask God to use this time to refresh and restore families. Pray also for volunteers to experience God's delight in their service.

Tuesday 4 – Our Family Retreats often feature a Visitor's Day where we welcome pastors, church leaders, and community members. This special day offers an opportunity for guests to witness firsthand how hope can be renewed through friendship, inclusive worship, Bible study, and more. Please pray that visitors attending our Arizona Family Retreat will be inspired to bring the joys of Family Retreat back to their own churches and communities.

Wednesday 5 – Pray for financial provision over those who are struggling to finance the immense costs related to disability that are not covered by insurance, like a wheelchair-accessible van or home modifications.

Thursday 6 – A [Wheels for the World](#) team is currently serving in Mongolia. As the team provides mobility equipment, shares the Gospel, and equips churches in disability ministry, pray that each recipient will come to understand God's deep love and care for them. Also, pray that they will feel embraced by local churches and be encouraged to continue growing in their faith.

Friday 7 – In the [Bay Area](#), friends are gathering for an inclusive park playdate! Pray that families living with disability feel Christ's welcome and enjoy the shared fun and fellowship.

Saturday 8 – This week, our team in [Texas](#) will lead Warrior Getaways for military families living with visible and invisible wounds of war. Pray that each family attending will be encouraged, refreshed, and built up by the biblical teaching, unconditional love, fellowship, and fun.
