

Prayer Requests August 30 – Sept 5, 2026

Sunday 30 – Today is National Grief Awareness Day in the United States. May believers be reminded that Jesus was “a man of sorrows and acquainted with grief” (Isaiah 53:3, KJV). As we lift up those who are mourning a loss or carrying burdens that others cannot see, pray that they would experience Christ’s comfort, presence, and peace.

Monday 31 – Today marks the start of our [Family Retreat](#) in Michigan designed to serve adults living with disabilities and their families. Join us in prayer over their upcoming week of fellowship; may parents and attendees be blessed and refreshed by the activities, messages, and time away from typical routines and rhythms.

Tuesday 1 – September is Pain Awareness Month. Many Christians live with chronic or daily pain, whether from injury, disability, age, or illness. Pray that each person’s faith remains unshaken by the physical pains of this world. May everyone [find their strength in Jesus](#).

Wednesday 2 – Praise God for the five [International Family Retreats](#) we hosted in China this summer. May God develop faith-filled friendships for those who attended and connect each person to a community of believers.

Thursday 3 – Join us in gratitude for the many individuals who facilitate [wheelchair restoration](#). May the impact stories of their work bless each person and draw them to faith in Christ.

Friday 4 – Our [Joni’s House](#) locations offer physical, spiritual, and social support for families living with disability in under-resourced areas. Pray that the families we serve would experience Christ’s love as they find encouragement, practical help, and lasting hope.

Saturday 5 – As our [fall programs](#), retreats, and getaways begin, please pray for volunteers and event organizers who prepare and serve. Ask God to give His wisdom, strength, and unity in every detail. May these events provide rest, belonging, and renewed hope for individuals and families living with disability.
