

Prayer Requests August 9 – Aug 15 2026

Sunday 9 – Join us in thanking God for every ministry staff member and volunteer who faithfully plans, serves, hosts, and carries each of our summer events to completion. As this busy season stretches their time and energy, ask God to strengthen each person with renewed joy, wisdom, and endurance. May they be encouraged as they witness the fruit of their labor in the lives of every family, volunteer, and individual they serve for the glory of God.

Monday 10 – Family Retreats are underway in New Hampshire, North Carolina, and Minnesota. Ask God to use these retreats to draw families closer to Himself and into community with other families who understand the unique realities of living life with a disability.

Tuesday 11 – Today in California, we're hosting our [Young Adult Bible Study](#) for adults who live with intellectual disabilities. May the Holy Spirit fill them in a fresh way, inviting them deeper into God's Word.

Wednesday 12 – Tomorrow in [Pennsylvania](#), men who have a spouse and/or children with disabilities are gathering for a fellowship event! May this event bring needed community and hope to the men who attend.

Thursday 13 – Ask the Lord to equip pastors, church leaders, and ministry participants with a biblical vision for disability ministry. Pray that local churches would be inspired to become places where individuals and families living with disability are welcomed, discipled, and valued as vital members of the body of Christ. "Bear ye one another's burdens, and so fulfil the law of Christ." (Galatians 6:2, KJV)

Friday 14 – This week, our Wheels for the World team is kicking off a [wheelchair distribution in Rwanda](#). Praise God for the opportunity to provide mobility equipment to those in need across Africa while sharing the Good News of Jesus Christ.

Saturday 15 – Today in East St. Louis, caregivers are gathering for a [support group](#). Pray with us that this precious time together is fruitful in connection, encouraging in faith, and reflective of God's goodness through caregiving.
