Prayer Requests November 1 – November 7, 2026

Sunday 1 – Since 2015 many friends of the ministry have been reading through the Bible alongside Joni and Ken. As everyone wraps up this year's journey through the scriptures, pray God's Word provides fresh insights and rich encouragement to those reading each day.

Monday 2 – Pray for our shipping department as they work to meet the increased orders of the Christmas season. Ask God to use each product and resource to spread the message of His love and grace.

Tuesday 3 – Around the country, our local offices host church network meetings to bring together pastors, disability ministry leaders, and volunteers for a time of learning and fellowship on the topic of becoming places of belonging for individuals and families living with disabilities. Pray for these networks to build up the body of Christ "so in Christ we, though many, form one body, and each member belongs to all the others," (Romans 12:5).

Wednesday 4 – The month of November is designated as National Veterans and Military Families Month. Many of the veterans we serve through our Warrior Getaways experience the "hidden wounds of war," such as post-traumatic stress and closed traumatic brain injury. Pray these Getaways continue to be a path toward healing and hope for veterans and their families.

Thursday 5 – We have entered the busy time of year-end fundraising with special events hosted by our local offices and the International Disability Center. Pray for God to provide the resources needed to accomplish the ministry plans for 2027. Ask God to bless those who give to our ministry and those we serve.

Friday 6 – This weekend we are partnering with a church in Tennessee and a church in California for two separate evenings of respite and fellowship for families. Praise God for both churches and their hearts to connect, serve, and build friendships.

Saturday 7 – Pray for our All Abilities Sports Day and Resource Fair today in Sacramento. Through experiencing accessible sports training and connecting with local disability resources, pray each attending family feels more supported and sees more of the possibilities open to them.
